Workflow

Sunrise Job Consultancy

Workflow

- ⦿ **Step 1:- Employers forward Job Description**
- ⦿ **Step 2:- Recruiters screen resumes --Recruiters deeply analyze the job descriptions & screen resumes by matching job seeker expertise with the required skill set.**
- ⦿ **Step 3:- Employer Selects Jobseeker -- The screened resumes are forwarded to the Employer who further filters them and instructs the recruiter to line jobseekers for face-to-face or telephonic interview. The recruiter co-ordinates with both job seeker and the employer from scheduling of interviews till the time jobseeker gets selected and joins the Employer company.**
- ⦿ **Step 4:- Invoice Raised --As per the terms in the service agreement “Team Sunrise” raise Invoice .**
- ⦿ **Step 5:- Replacement -- “Team Sunrise” provides suitable replacement in case the selected candidate leaves the Employer company within the replacement period as mentioned in the service agreement.**
